Continuation of 4(e) Other: As set forth in 37 CFR § 1.126, "The original numbering of the claims must be preserved throughout the prosecution." However, in the preliminary amendment of 12/10/2004, Applicants have attempted to renumber original claims 16-53 and 57-62 as claims numbered 17-40, 42-54 and 58-63. However, this preliminary amendment is not compliant with 1.126 because the original numbering of the claims must be preserved throughout prosecution. The only proper form for an amendment that changes claim numbering is to cancel each of the original claims and present the renumbered claims as new claims of a higher number. The second preliminary amendment of 1/17/2007 is also considered non-compliant because it uses the first non-compliant 12/10/2004 preliminary amendment as a basis for further amendments. Therefore, the original claims submitted 12/10/2004 are still considered to be the pending claims in this application. Any future amendments should be directed to the original 12/10/2004 claim set. (As a courtesy, it is noted that Applicants' non-compliant claim sets submitted 12/10/2004 and 1/17/2007 are each missing claim 41 and contain a duplicate claim 42).
